E, F, J & K Two bedroom apartment/homes 1433 square feet

This, obviously, is the way lake shore living was meant to be. The Newport provides sweeping panoramic view from living room, bedroom and from the master bedroom suite. A private full ceramic bath for the master bedroom. A second full bath for guests. An over-sized kitchen large enough for informal dining . . . walk-in closets . . . an extra-large formal foyer. Look for what you've always wanted. You'll find it in . . . the Newport

These are 1969 pre-construction promotional floor-plans and may not be 100% accurate. Units F and K face north. Units E and J face south and are mirror images of this plan.
