These are the "national" cable channels available with Malibu East's Comcast Xfinity service. The first column "Bulk" shows the channels everybody receives. The second column "Pref" shows the channels available with the "Preferred" (additional \$9.95) channel package. Since units will receive two HD receivers, the channel numbers above are HD channels, unless a channel is only SD. For "local" TV channels and "music" channels, plus additional information, please see the other side. **Notes:** The ⁽¹⁾ indicates the channel requires an X1 receiver. The TCM channel is available only in the extra-charge "Sports Entertainment" package. Report errors to TV@MalibuEast.org

These are the “local” and “music” channels available with Malibu East’s Comcast Xfinity service. The “local” channels are over-the-air broadcast TV channels (the “network” is shown next to the over-the-air channel number). If there are both HD and SD channels, those numbers are separated by a slash. Many channels, such as MeTV, CoziTV, Buzzr, StartTV, Heroes&Icons and Decades, broadcast “classic” TV shows. There are several “international” channels too. The “national” cable channels and the City of Chicago “cable” channels are shown on the other side.

Also shown here is the (additional-charge) “Sports Entertainment” package. Channels marked with (*) are also in the “Preferred” package. The TVG channels are horse and greyhound racing. If there are both SD and HD versions of a channel, only the HD channel is shown. **Note:** This package is the only way to receive the TCM channel.

The ⁽¹⁾ indicates the channel requires an X1 receiver (not a uDTA or CableCard or non-X1 receiver). If you notice any errors on these charts, please send corrections to TV@MalibuEast.org
